Myday

What is Myday?

The Myday dashboard presents an easy to use interface for students to access various links through a tiled dashboard.

Myday can be accessed from your desktop, mobile, tablet, and laptop.

A free app is also available.

Myday will give you access to Moodle, Google Classrooms, Microsoft Teams, college emails, the Learning Resources Centre and other useful links.

Use your search box on the address bar and type in **go.mydaycloud.com/**

Or go through the college website to access links for Myday, Moodle and Microsoft applications such as your college email, Word, Excel, Teams and PowerPoint
