Apps information:

The two apps below can be downloaded on your device (mobile, laptop, tablet and desktop) to make access easier.

Go to the App Store (iphone) or Play Store (android) or Windows App (Microsoft Store) and download the **Moodle** app and the **Myday** App.

This will give you access to your course, the Learning Resources (library) and other information.
Use **vle.westking.ac.uk** as the URL for this app.

Myday will give you access to Moodle, Google Classrooms, Microsoft Teams, college emails, the Learning Resources Centre, where you can access all the e-resources and other useful links.

Step 1. Logging in to Reviews or Moodle

There are a number of ways that you can access the Reviews and Moodle. The various options of logging in has been provided below.

1. **Reviews** link, if you use this you should go straight to step 6.
2. Click on this **Moodle** link and follow the instructions below.
3. Type in **vle.westking.ac.uk** in your search box or address bar of your computer or device.
4. Use the Moodle or Myday App on your computer or device.

Step 2. Login to Moodle.

The username to login to Moodle is your Person ID/Student number and your normal password to log in to the college computers.

Step 3. Once you are logged in click on the Learning Resources link (highlighted in green).

Step 4. Choose '**E - Resources**' from the Learning Centre links (on the right of your screen)

Step 5. Access all the Reviews by scrolling down the page, select the journal you want to look at and click on the title.

Step 6. This is the log in page.

In the first box type in**: gilibrary@westking.ac.uk and the second box the password - resourceswkc**

7. Click on Log in
