A guide on how to login to Credo

If you are at college or outside the college you can use the steps below to access Credo. This E-resource contains dictionaries, encyclopaedias, reference texts, videos, sounds and images. The is also a very useful mind map for when you need ideas.

Apps information:

The two apps below can be downloaded on your device (mobile, laptop, tablet and desktop) to make access easier.

Go to the App Store (iphone) or Play Store (android) or Windows App (Microsoft Store) and download the **Moodle** app and the **Myday** App.

This will give you access to your course, the Learning Resources (library) and other information.
Use **vle.westking.ac.uk** as the URL for this app.

Myday will give you access to Moodle, Google Classrooms, Microsoft Teams, college emails, the Learning Resources Centre, where you can access all the e-resources and other useful links.

## Step 1. Logging in to Moodle and Credo

There are a number of ways that you can access Moodle.

1. Click on this **Moodle** link.
2. Type in **vle.westking.ac.uk** in your search box or address bar of your computer or device.
3. Use the Moodle or Myday App on your computer or device

Step 2. Login to Moodle.

The username to login to Moodle is your Person ID/Student number and your normal password to log in to the college computers.

Step 3. Once you are logged in click on the Learning Resources link (highlighted in green).

Step 4. Choose '**E - Resources**' from the Learning Centre links (on the right of your screen).

Step 5. Go to the Credo image and click.

Step 6. On this screen type in your ID/person number and your password.
